Title :	The Organization Act of the Central Taiwan Science Park Bureau, Ministry of Science and Technology 
Date :	2014.01.22
Legislative :	January 22, 2014

Content :

Article 1

The Central Taiwan Science Park Bureau (the “Bureau”) is established by the Ministry of Science and Technology to manage the affairs of the Central Taiwan Science Park (“the Park”).

Article 2

The Bureau's responsibilities are as follows:

1. Matters relating to research and development, integrated planning, administrative regulation and performance review within the Park.
2. Coordination for personnel training, R&D subsidies, industry-academia cooperation, and experimental high/elementary schools.
3. Financial planning, management, and audit of operating funds.
4. Securing investment, overseeing the business operations within the Park, foreign exchange and trade, as well as the oversight of investment by foreign entities and overseas Chinese.
5. Issuing industrial/commercial certificates and tax-exemption certificates, overseeing the hiring and employment of foreign specialists and technicians, introduction and supervision of companies in the service industry, and security-related matters.
6. Coordination and communication with the industrial/commercial entities within the Park, labor administration, labor health and safety management, labor inspection, as well as matters relating to gender equality and environmental protection.
7. Supervision of the land, factories, and residences within the Park, control of land utilization, construction regulation, and landscape planning and management.
8. Land development and building construction/maintenance within the Park, planning and management of water and power resources, and transportation management.
9. Other matters to be handled by the Bureau as stipulated in Article 6 of the Act for Establishment and Administration of Science Parks.

The Administration is allowed to handle the development and preparatory work related to Zhongxing New Village Advanced Research Park.

Article 3

The Bureau shall have one director-general, ranked Senior 13th grade and two deputy directors-general, ranked Senior 12th grade.

Article 4

The Bureau shall have one chief secretary, ranked Senior 11th grade.

Article 5

The staff ranking system and headcount of the Bureau shall be specified by an organization chart.

Article 6

The date of promulgation of this Act shall be announced by the Executive Yuan through an administrative order.
